I ran into Chris Chase and he wanted to know:

About Insurance and is the bus breaks down how will the passengers get back before the ship leaves?

Can you send me a overhead map with a circle on where you would like to park the trolley at the Terminal?
Would you be charging for the tour? If so, how much and how would you collect the money? Who would keep this money?
Where would you take the passengers after the trolley departs from the cruise terminal?
Who would be running the tour? Who would your tour guides be?
Would you need a booth at the Cruise terminal?

We want to have a 2:00pm Art Tour. The trolley will pick up cruise passengers and bring them back by around 3:00ish.

We want to be able to park the trolley there early to advertise the Art Walk. They question is where can the trolley be parked to strategically attract the passengers? How far ahead of time can we park the trolley there? 2 hours, the day before? Can the trolley be parked there the Sunday before?

Please let me know in complete detail what you're planning to do and then I'll send it off to a few folks and see what they say. OK?

Augie,

How can we confirm what POLA/POLA security will let us do? We want to market the Art Tour on 1/24/17 using the trolley itself.
